Orienteering is a sport in which orienteers use an accurate, detailed map and a compass to find points in the landscape. It can be enjoyed as a walk in the woods or as a competitive sport. Everyone is welcome!

Unless otherwise noted, all events start at 10:00am and end at 1:00pm.

Cost is \$9.00/map for non-members (a group can use one map), \$6.00/map for DVOA members, USOF or IOF clubs, and Scout/Youth Groups. When electronic punching is being used at an event, all competitors on a course using electronic punching are required to use an "e-punch". These can be rented at the event for \$1.00. A compass can also be rented for \$1.00 to use during the event.
